

CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00197

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

PRECAST CONCRETE PRODUCTS

characterised as

Hollow core slabs

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges. CE marking method: 2.

Stairs

made of reinforced or prestressed concrete, used indoor or outdoor as structural stairs.
CE marking method: 3.

Beams for beam and block floor systems

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges. CE marking method: 2.

produced by

Forterra Building Products Limited

5 Grange Park Court, Roman Way, Northampton NN4 5EA

in the manufacturing plant at

Hoveringham Lane, Hoveringham, Nottinghamshire NG14 7JX

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards:

EN 1168:2005/A3:2011, EN 14843:2007, EN 15037-1:2008

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above

This certificate was first issued on 5 October 2015 and will remain valid until 31 December 2019 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
