# **CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL**

**1333 – CPR – 00198**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

## **PRECAST CONCRETE PRODUCTS**

*characterised as*

### **Box culverts**

made of normal weight or lightweight reinforced concrete intended for structural use for the creation of voids below ground for the purposes of conveyance or storage. CE marking method: 3.

### **Retaining wall elements**

made of plain, reinforced or prestressed normal weight concrete, used for the construction of concrete retaining walls to retain natural ground, earth fills and several kinds of loose materials as sand, gravel, etc. intended for use in structures of buildings and other civil engineering works, but not to retain liquids in tanks or reservoirs. CE marking method: 2.

### **Beams for beam and block floor systems**

made of reinforced or prestressed concrete intended for structural use in the construction of the structures of buildings and other civil engineering works, except bridges. CE marking method: 2.

### **Bridge elements**

made of reinforced or prestressed concrete intended for structural use in the construction of road bridges, railway bridges and footbridges. CE marking method: 3.

# CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1333 – CPR – 00198

*produced by*

## Forterra Building Products Limited

5 Grange Park Court, Roman Way, Northampton NN4 5EA

*in the manufacturing plant at*

**Birchwood Way, Cotes Park Industrial Estate,  
Somercotes, Derbyshire, DE55 4NH**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards:

**EN 14844:2006/A2:2011, EN 15258:2008,  
EN 15037-1:2008, EN 15050:2007/A1:2012**

under system 2+ are applied and that

**the factory production control fulfils all the prescribed requirements set out above**

This certificate was first issued on 5 October 2015 and will remain valid until 31 December 2019 as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
