

Chartres Cobbles Block Paving

Data Sheet

INNOVATORS IN
FORMPAVE

PERMEABLE PAVING

a Forterra brand

Manufactured with an olden finish and specifically designed for use in projects where architectural heritage is a major consideration. Created to emulate the old stone used in rural and heritage sites providing a high class finish. Can be traditionally coursed or laid in a more unusual pattern such as circles or Flanders fans. Chartres edging and starter circles have been specially designed to complement the range.
